

Florida Easy Filer Registration Instructions

Follow these instructions to register your Florida Easy Filer Agent and Insurer software. You must register your expired version upon purchase or renewal before you can use it!

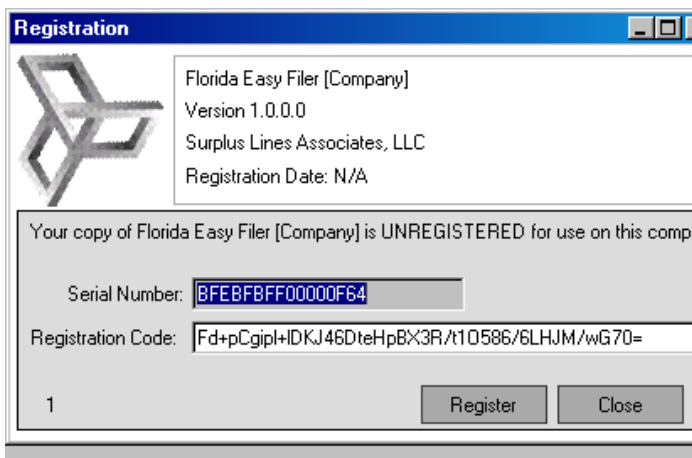

Name	Size	Type
Company_Abrev_Sample.xls	46 KB	Microsoft Excel Work
Config_Insurer.xml	2 KB	XML Document
FEF_Insurer.exe	97 KB	Application
FEF_Insurer.pdb	64 KB	PDB File
FEF_Insurer.vshost.exe	14 KB	Application
FEF_Insurer.vshost.exe.manifest	2 KB	MANIFEST File
FEF_Insurer.xml	1 KB	XML Document
FEF_InsurerR.zip	72 KB	WinZip File
Insurer1.slk	27 KB	FSLSO Data File

The folder should be installed at the root of your C: drive
Double click on the file called FEF_InsurerV2.exe. or FEF_AgentV2.exe
This will start the Florida Easy Filer program.

The program will open and you will see “Trial Version” in the upper right hand corner. The program must be registered before it can be used beyond the trial period. It will be registered to the PC the program is installed on and can only run on that PC.

Click “Help” then “Register Program”

The Registration dialog box will open. Copy the serial number and email it to

TechSupport@SurplusLinesAssociates.com

We will generate your registration key and email it back to you.

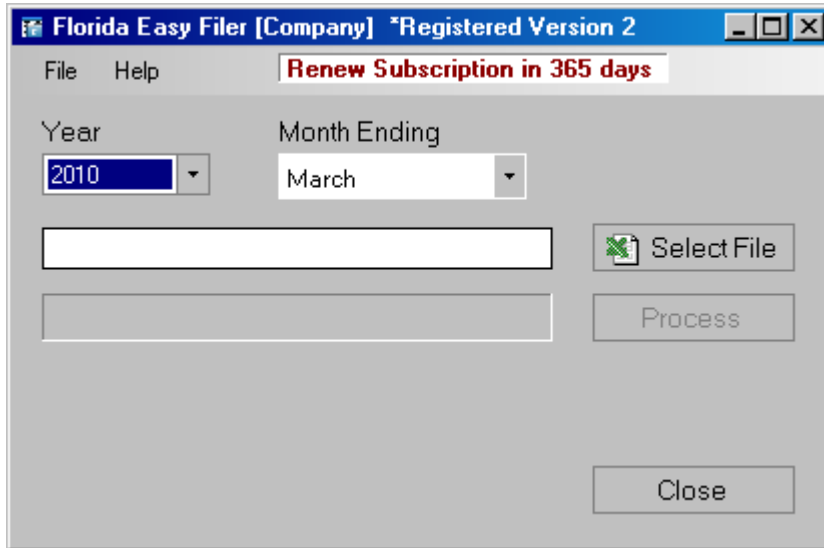

In this example the serial number is
BFEBFBFF0000F64

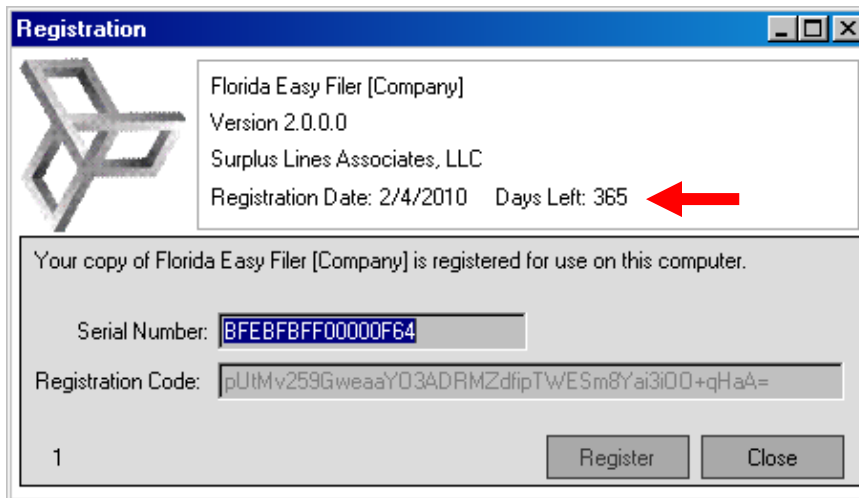

Copy the registration code that is returned to you and paste it into the Registration code field.

**Then click the Register button
Then Close
You are ready to go!**

Note: the key that is in the registration code field when you start the program is the “unregistered” key

Your program is now registered and ready to go

If you click “Help” then “Register Program” you can see the registration date and days remaining on your license.

**If you have any problems please email
