[Mississippi Extends NonAdmitted Policy Fee to All Lines](#)

The Mississippi Insurance Department has issued a bulletin to summarize significant changes implemented by House Bill 785, which conforms the surplus lines insurance statutes to the federal Nonadmitted and Reinsurance Reform Act of 2009. One of the most significant changes is that it extends the existing nonadmitted policy fee to all risks located within the state. Currently the fee applies to only real property and content risks. While the change became effective March 11, 2011 with the passing of the Bill the Department expects compliance with the collection of the fee by June 1, 2011.
