### [New Jersey to Revise Policy Fee Rule](#)

The New Jersey legislature has revised statute 17:22A-38(b) that limits the Broker fee to \$50. The amount has been replaced by "an amount to be set by the commissioner". The Department is working on setting the new amount and we will let you know as soon as it has been set.

### [NAPSLO Reports Premiums Down](#)

Surplus lines premiums reported by the 14 stamping offices declined by more than \$1 billion, or 11.1 percent, in the first half of 2010, however the number of items processed only dropped by 1.6 percent, according to a report by NAPSLO

### [New State Affidavit Page !!!!](#)

We have added a new section to our website. We have assembled all the the state affidavits and/or disclosures on one page for easy access. The link is to a pdf document that you can complete online and print or save locally. Some links are to existing state forms, but all allow you to type in and save the completed form. One of our subscribers asked for this page, we hope it saves you time!

### [Upcoming Changes To Our Newsletter](#)

We want to Thank You for the positive feedback and suggestions we have received from you. Keep them coming! We try diligently to provide you with timely, actionable information about the Surplus Lines market.

We want to assure you that you will continue to receive our Alerts, but links to certain documents or **Bulletins will require** a [subscription](#) to our [State Detail](#) information. At \$175 per year, we believe you will recoup your investment in no time. This change will occur around September 1st.

### [Version 2 of the Florida Easy Filer Software for Insurers is now available!](#)

Use an Excel spreadsheet to create batch files for your Florida filings - As of December 15, 2009, a new format (v5.15) for batch filings is required. You are not allowed to use prior format versions (i.e. 5.00) after 12/15/09. In conjunction with the new .slx format, FLSO has released version 5.20 of the FTP Submit software. We also have an Agent/Broker version! [Read More >>](#)
