[NAIC Fall Meeting - Lots of Work To Do](#)

The NAIC Surplus Lines Implementation Task Force has lots of work to do in order to pave the way for implementing the changes mandated by the passing of the Nonadmitted and Reinsurance Reform Act (NRRA). They have posted several documents on their website that I am sure you will find informative.

[Compilation of State Comments on Guiding Principles](#)

[New State Affidavit Page !!!!](#)

We have added a new section to our website. We have assembled all the the state affidavits and/or disclosures on one page for easy access. The link is to a pdf document that you can complete online and print or save locally. Some links are to existing state forms, but all allow you to type in and save the completed form. One of our subscribers asked for this page, we hope it saves you time!

[Upcoming Changes To Our Newsletter](#)

We want to Thank You for the positive feedback and suggestions we have received from you. Keep them coming! We try diligently to provide you with timely, actionable information about the Surplus Lines market.

We want to assure you that you will continue to receive our Alerts, but links to certain documents or **Bulletins require** a [subscription](#) to our [State Detail](#) information. At \$175 per year, we believe you will recoup your investment in no time.

[Version 2 of the Florida Easy Filer Software for Insurers is now available!](#)

Use an Excel spreadsheet to create batch files for your Florida filings - As of December 15, 2009, a new format (v5.15) for batch filings is required. You are not allowed to use prior format versions (i.e. 5.00) after 12/15/09. In conjunction with the new .six format, FLSLO has released version 5.20 of the FTP Submit software. We also have an Agent/Broker version! [Read More >>](#)
